

Together we can achieve more for the children

Within the municipalities of Parkstad (Heerlen, Kerkrade, Landgraaf, Brunssum, Voerendaal, Simpelveld, Onderbanken en Nuth) Stichting Leergeld Parkstad, Jeugd Fonds Sport Limburg, Jeugdfonds cultuur Limburg, Nationaal Fonds Kinderhulp en Stichting Jarige Job have one common goal:

To see to it that as many children as possible, in the ages from 4 up and including 18 years, who grow up in families with minimal financial means, can participate!

Children have ambitions, which they can't only develop within the walls of a school building. The fact that children can participate makes them proud, gives them the opportunity to make friends and learn the Dutch language.

What among other things is compensated?
